Parent letter to continue twice weekly testing over the October half-term

Dear parent/carers,

Thank you for your continued support with Covid-19 home testing. We know how important it is for you to be able to send your children to school.

You should continue to test your child and [report](#) results twice a week, at home, throughout the October half-term school holiday and take a test before returning to school/college. All results should be reported, even if your result is negative or void.

Your child will be given more home test kits and bring them home with them on Thursday or Friday.

By testing your child twice a week over half term, you will help us to reduce transmission of Coronavirus, keep your child in school and school open to minimise disruption to their education and to you and your household.

Please contact myself, our COVID Coordinator, if you have any questions or concerns about home testing.

Thank you for your support.

Yours sincerely

Mrs C Thompson
